

TITLE I PARENT COMPLAINT PROCEDURES

2018-2019

Introduction

On December 10, 2015 a new Federal education law was signed by the President. This law, the Every Student Succeeds Act (ESSA), requires schools that receive federal Title IA funding adopt written procedures for resolving complaints filed.

Definition

A “complaint” is a written, signed statement filed by an individual or an organization. It must include:

1. A statement that a school has violated a requirement of federal statute or regulation that applies to Title IA.
2. The facts on which the statement is based.
3. Information on any discussions, meetings or correspondence with a school regarding the complaint.

Complaint Resolution Procedures

D. Opportunity to Present Evidence

The Federal Programs Coordinator may provide for the complainant and the Principal to present evidence.

E. Report and Recommended Resolution

Once the Federal Programs Coordinator has completed the investigation and the taking of evidence, a report will be prepared with a recommendation for resolving the complaint. The report will give the name of the party bringing the complaint, the nature of the complaint, a summary of the investigation, the recommended resolution and the reasons for the recommendation. Copies of the report will be issued to all parties involved. The recommended resolution will become effective upon issuance of the report.

F. Follow up

The Federal Programs Coordinator and the Superintendent will ensure that the resolution of the complaint is implemented.

G. Time Limit

The period between the Federal Programs Coordinator receiving the complaint and resolution of the complaint shall not exceed sixty (60) calendar days.
